The Licensee shall be provided a reasonable opportunity to offer evidence, question witnesses, if any and to be heard at the public hearing.

(e) Within thirty (30) days after said public hearing, the Issuing Authority shall issue a written determination of its findings. SECTION 9.9 – LIQUIDATED DAMAGES

(a) For the violation of any of the following provisions of this Renewal License, liquidated damages shall be paid by the Licensee to the Issuing Authority; provided, however, that liquidated damages cannot be imposed unless and until the Issuing Authority has followed the notice and cure provisions in Section 9.8 above. Any such liquidated damages shall only be assessed, after a full finding of default according to the provisions of Section 9.8, effective beginning as of the date of a public hearing on the notice of default scheduled by the Issuing Authority in accordance with Section 9.8 above:

(c) Licensee shall have thirty (30) days from receipt of written notice from the Issuing Authority to pay the liquidated damages; provided, however, that Licensee may appeal (by pursuing administrative, judicial or other relief afforded by the Issuing Authority) any assessment of liquidated damages within thirty (30) days of receiving written notice of the assessment.

(d) Each of the above-mentioned cases of non-compliance in this Section 9.9(a)(1) and 9.9(a)(2) shall result in damage to the Town, its residents, businesses and institutions, compensation for which will be difficult to ascertain. The Licensee agrees that the liquidated damages in the amounts set forth above are fair and reasonable compensation for such damage. The Licensee agrees that said foregoing amounts are liquidated damages, not a penalty for forfeiture, and are within one or more exclusions to the term “franchise fee” provided by Section 622(g)(2)(A)-(D) of the Cable Act.

The application for consent to an assignment or transfer shall be signed by the Licensee and by the proposed assignee or transferee or by their representatives, evidence of whose authority shall be submitted with the application. Upon termination of this Renewal License or of any renewal hereof by passage of time or otherwise, the Licensee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. Such abandonment shall not relieve the Licensee of cost of removal.

SECTION 9.13 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of federal, state and local laws, including but not limited to Massachusetts General Laws, Chapter 166A, and the rules and regulations of the FCC and the Cable Division, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general

laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal License to the extent that any provision of this Renewal License conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the Commonwealth of Massachusetts, the federal government or the FCC require the Licensee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Issuing Authority and the Licensee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

SECTION 9.14 - COMMERCIAL NON-DISCRIMINATION

No commercial establishment within the Licensee's service area shall be denied Basic Broadcast Service or Cable Programming Services if requested.
